## 3D Sea Life

1. Score Base @ 4 1/4", fold and Burnish.
2. Run one of the New Horizons Designer paper through Machine with die cut oval 'sea scene', place Foam Adhesive strips on back and set aside.
3. Stamp 3 Jelly Fish, 1 each of the fish on scrap piece of Very Vanilla using Mango Melody and Calypso Coral. Die cut set aside.
4. Stamp seaweed on bottom right side of 2<sup>nd</sup> piece of New Horizon's Designer paper using Misty Moonlight, stamp once full strength and then one to each side of first image without inking. Adhere to one of the Mango Melody pieces, then place onto front of Base.
5. Adhere one of the fish and one jellyfish to front of card, then place what you die cut in step #2 so it lines up perfectly with stamped front piece.
6. Adhere other fish to left front bottom, place foam adhesive strip on the PARTS of the Jelly Fish that will hang over into middle and glue on the places that are attached to card front.
7. Place Rhinestones on front as desired.
8. Stamp seaweed on 2<sup>nd</sup> Vanilla on bottom right corner using Misty Moonlight and add Sentiment, layer onto 2<sup>nd</sup> Mango Melody and then adhere both to inside of card.
