Thoughts for Ukraine

1. Score Base at 4 1/4" fold and Burnish.
2. Run other Pacific Point piece through Machine using the Bark 3D folder, set aside.
3. Stamp on Labels (3 across, 4 high) using Memento Black your image. Color using Watercolor Pencils, then carefully move to your black cardstock. Once positioned you will go over the entire piece with Versamark, sprinkle Clear Embossing Powder over, heat set.
4. Layer #3 onto a piece of Daffodil Delight, adhere to the Embossed Pacific Point you set aside. Layer these onto a piece of Daffodil Delight.
5. Measure ribbon, color using Daffodil Delight ink (I used Blends), once dry wrap around the two layers adhere to the back, place onto Base.
6. Stamp both front sentiments on scrap Daffodil Delight, fussy cut one and place over the wine glass. The other will be cut down to 1/2" and 2 1/8", layer onto Pacific Point scrap cut to 5/8" x 2 1/4", place Dimensionals on back and adhere over ribbon.
7. Stamp sentiment on Daffodil Delight using Pacific Point ink, place on inside of card.
8. Add Iridescent Rhinestones to front as Desired.
