**Inks:** Misty Moonlight (included), Bumble Bee, Versamark

## Paper:

Bumble Bee 5 1/2" x 4 1/4"

Basic White 3 3/4" x 5" (x2), scrap

Blue Foils: 4" x 5 1/4" (x2)

Gold Foil: scrap

**Embellishments:** Rhinestones from kit, Gold Embossing powder

**Tools:** Heat tool, Tasteful Textile Folder, Tasteful Labels Dies

## 'Watercolor' Best Wishes

1. Stamp flowers using Misty Moonlight onto one of your Basic Whites, leave a little of white showing. Also stamp Basic White for the inside, bottom right. Stamp inside of flowers with Bumble Bee. Spritz immediately with water let inks run/fade, set aside to dry.
2. Once dry stamp the middle of flowers using stamp from set with Versamark, then pour Gold Embossing Powder over, then heat set. Place inside the Tasteful Textile Folder run through Machine, this will help flatten the cardstock.
3. If desired cut out center Foil so you can use it another time, Adhere Stamped/Embossed card front onto one of the Blue Foils. Adhere to front.
4. Stamp front sentiment on scrap white Die cut using Tasteful Labels Dies, cut in half. Lay onto scrap of Gold Foil and cut to match.
5. Get two of the die cuts included in kit adhere to back side of #4, add dimensionals to back add to bottom left of card as shown.
6. Stamp inside sentiment, adhere to extra Blue foil place on inside of card.
