Eden's Garden Card 2

1. Score Base at 4 1/4", fold and Burnish.
2. Run Soft Succulent 4 1/4" x 5 1/2" piece through machine with Pretty Flowers Embossing Folder, Attach to the front.
3. Place DSP onto machine, align the Basic Border Die so it is not quite in the middle. Run through machine.
4. Now with your DSP still on machine, place your Gold Foil under DSP squarely with the edge sticking out, place Border Die so it will mimic the same cut and carefully remove the DSP, run through machine. Adhere the Gold to the back of the DSP as seen in picture.
5. Adhere both to the front of the card, overlapping the Embossed Soft Succulent.
6. Stamp sentiment onto white scrap run through machine using Die from set. Punch your scrap of Soft Succulent and Gold Foil using the Bough Punch, adhere to back of Die cut sentiment and adhere dimensionals on back place on front.
7. Stamp Basic White with Sentiment and leaf and place inside card.
8. Add Gems as Desired.
