Bug Me

1. Score base at 5 1/2", fold and burnish.
2. Adhere Designer paper to the left front on the Base.
3. Punch out 'ladybug' body from Basic Black scrap, adhere 4 strips of Daffodil Delight equal distance apart to make Bee body.
4. Punch Vellum using the Ladybug Builder punch, apply Wink of Stella to wings, place small amount of adhesive to top part of wings and adhere to Bee, place Dimensionals on back and adhere in center of Designer paper as shown.
5. Run scrap piece of Mango Melody through machine using Hive 3D folder, then go over entire piece with Versamark, then sprinkle Clear Embossing powder over, heat set until shiny.
6. Now take Beautiful Shapes dies (the one with two hexagons in one die) and die cut Mango Melody from last step 3 times.
7. Adhere Die cuts as shown.
8. Stamp sentiment in Memento Black on Basic White strip, trim edges and adhere to middle of card.
9. Stamp inside sentiment using Memento Black, and stamp flower on bottom of Basic White, using Mango Melody ink. Stamp inside of flower using Memento. Place inside of card.
