Tools: Blending Brush, Sending Dies

Sending Smiles...

1. Score Gorgeous Grape base @ 5 1/2", fold and Burnish.
2. Stamp one of the Basic White with the leaves both full strength and stamped off across the bottom using Mossy Meadow Ink. Go over bottom of leaves with a Blending Brush and Mossy Meadow ink.
3. Stamp stem with leaves 4 times along the bottom, then stamp long flower using Gorgeous Grape ink.
4. Go over the top with Balmy Blue ink using the Blending Brush.
5. Die cut from the scraps listed both the background of 'sending' and the word using Basic White and Balmy Blue. Adhere together and lay down, w/out adhering at top, to see where to stamp sentiment.
6. Stamp 'smiles across the miles' below where the Sending will go using either Mossy Meadow or Memento Black ink. Now adhere the 'Sending' you have ready using Dimensionals on back.
7. Stamp flower and leaf that we used on the front, once on left side of Basic White using same inks from the front.
8. Stamp sentiment on top using either Memento or Mossy Meadow ink.
