## Theatre Style Card

1. **Score** large Black Base at 2", 4", 8" & 10", in 2nd panel close to inside, Place Base in Cutter with long edge at top at the 4" mark on trimmer, then **CUT** from 1 1/8" to 4 1/4", do this for both sides. Then place in cutter with shorter edge at top at the 1 1/8" mark on cutter and **CUT** between the score lines meeting up with the cut you already made, do this for both sides.  
**See Template**
2. The 2 outer edges are Mountain folds, then the next scored line (on both sides) is a Valley fold. No need to fold the 'doors'.
3. Run the Fabulous Frames Die (oval) through the machine with BOTH Basic White and Basic Black cardstock. The ovals you will keep are the White inside and the Black outside, set aside other ovals for a project at a later time.
4. With Markers, color the Pelican BODY using Smoky Slate, the beak & foot will get Pumpkin Pie, huff on stamp to bring 'life' and stamp on center of White Oval. With a Blending Brush go over top half with Blending Brush using Balmy Blue ink, and below Pelican go over with Crumb Cake. Set Aside.
5. Stamp 2 7/8" x 4 1/4" White using the Palm Trees stamp, color trees with these Markers: Garden Green for the trees, the Trunks will get Soft Suede, the Mound and bottom with Crumb Cake and the 'ocean' with Coastal Cabana. Huff and stamp on your scrap. Go over the 'sky' with Balmy Blue ink. Place in machine and Die Cut using the Scalloped top and bottom Die. Set Aside.
6. Adhere the DSP (Designer Series Paper) as shown, with the Blue and Gold being on the doors, **place some ribbon behind left hand door before adhering**. Once you have the DSP attached, Adhere the Pelican oval on center of left door, then place Mini Dimensionals on Black outer Oval, and place around the stamped oval. Adhere some of the Sequins and Gems on Oval as shown.
7. Stamp front sentiment onto small scrap using Bermuda Bay ink, Die cut out with small die from set.
8. Adhere DSP to inside of card, attach the Scalloped part flat in middle, then add Dimensionals to inside piece, line up and adhere. Add Sequins to the front as desired.

- Stamp backside White with Sentiment and the Pelican and the shells (using the colors as before). Adhere to Bermuda Bay, then adhere to back of card so you can sign it.
