Tools: Delicate Edges Dies, Tree Ring Dies, Tree Rings Hybrid Embossing Folder, Dauber

Just For You

1. Score Night of Navy Base @ 4 1/4", fold & Burnish.
2. Place the scrap Soft Suede into the Hybrid folder and be sure that it is over the bigger tree ring, run through machine. Put back in ONE of the Dies and cut out the smaller tree ring outline and using the same die place the Crumb Cake in and Die cut. These will go inside each other. Stamp Just For You on the Crumb Cake and go over with a Dauber and Soft Suede ink. Paper piece them together and add Dimensionals to back, especially where the two meet. Set aside.
3. Find which small house you would like from the DSP, or you can stamp it and then die cut using a medium Die from bundle. Go over both of these with the Dauber and Soft Suede ink. Put together, set aside.
4. Die cut the Parakeet Party using the Delicate Edges Dies, set aside.
5. Mark your DSP on left side at 3", and mark the right side at 1 1/2", line up marks diagonally on cutter, connect marks and cut. Set Aside.
6. Take your Parakeet Party piece you die cut and lay next to the DSP at the angle of the cut, see where the leaves are going to stop and fussy cut so it's smooth as shown.
7. Cut off two other leaves to go behind both Rings as shown.
8. With the Gold Shimmer you will layer the leaves on top by rolling up Glue Dots to put on back. You CAN use Liquid Glue, but Glue Dots are faster. Do this on all three pieces.
9. Where you cut the DSP, you will layer in the bigger Leaf pattern you have, place the top piece of DSP onto Crushed Curry layer and adhere to top. Place adhesive on back of bottom layer along with the back of Die cut and line up to top of DSP and adhere. This will look like one continuous piece with the leaves in the middle.
10. Now place the top and bottom Rings, but first lay down the 2 leaves you precut earlier. Adhere to front of card.

11. Stamp inside Sentiment with Night of Navy ink on Basic White layer.
12. Adhere strip of Gold at bottom of White and then layer this onto another Crushed Curry layer, adhere inside card.
